Dear Redwood Foundation Grant Applicant:

Each Fall and Spring semesters, the RHSF Allocation Panel solicits grant proposals from Redwood staff, parents, and students seeking financial support for projects related to academics, student activities and/or campus improvements.

Attached is an application form for these grants. Each applicant should consider carefully what projects would have the greatest benefit for the Redwood community. The Allocation Panel traditionally has not funded the following kinds of proposals: student transportation costs, student admittance or event fees, laptop computers, consumable supplies for computers (cartridges and paper), projects that are already in progress, or equipment already purchased or on order. All other possible sources of funding should be explored before submitting the grant.

If you are applying for more than one grant, complete a separate application for each and state the relative priority of your requests. Additional applications are available from Sam Miller. The budget information must be clear, concise, and accurate. Total dollar amounts must include handling, shipping, postage, and sales tax. Any necessary expenses over the allotted amount will become the responsibility of your department.

Submit the completed applications to Sam Miller. **The deadline is Friday, September 25th at 4:00 PM. Applications submitted after this deadline will not be accepted for consideration during the Fall semester. No exceptions!**

The Allocation Panel meets on **Monday, October 5th** and **Monday, October 19<sup>th</sup>** from 6 PM – 9 PM with a final voting meeting on October 26. If your proposal meets the guidelines, you will be asked to make a ten minute presentation to the Panel on one of the first two dates. We will notify you of your presentation time and date. If one of the meeting dates cannot be made to fit your schedule, please indicate so on the application. If you cannot attend the presentation dates or make arrangements for someone to present for you, your grant request will not be considered during the Fall allocation period.

Any questions about the grant process should be directed to RHSF Allocation Panel Co-Chairs Elyse Weinstein ([elysewmd@comcast.net](mailto:elysewmd@comcast.net)) or Laura Collins ([llcollins331@yahoo.com](mailto:llcollins331@yahoo.com))
