

Redwood Rocks 2010

FUND A NEED...

....Technology Upgrades

Why Fund a Need?

- We need to upgrade 9 year old computers, monitors, and software.
- Redwood's Open Access Technology Labs are used by every student, every teacher, and every class.
- Available to students all day long – from the minute school opens to when the lights are shut off at night.
- Technological skills are essential for your students future in the 21st century.
- Interactive learning used by all academic classes.
- Computer Proficiency is a graduation requirement.

The Plan:

- Electrical wiring upgrades already done.
- Equipment estimates completed and bids obtained.
- Computers ready to order when we reach our goal.

The Goal: \$45,000

LET'S FINISH THE JOB TOGETHER!
